## STATEHOOD MEASURE

One Bill to Take in Arizona, New Mexico and Oklahoma.

## MEASURE WILL PASS

Both Parties Are in Favor of States for the Territories—Postoffice Appropriation Bill Passes the House—Other Items.

Washington, March 14.—The house committee on territories has decided upon the "omnibus" territorial bill which will provide for statehood of Arizona, New Mexico and Oklahoma, instead of separate statehood bills for each territory. The bills heretofore had been separate, but they were harmonized in their provisions and Chairman Knox was authorized to incorporate them in one measure.

The bill is expected to pass as both parties are in favor of states made out of the above territories.

## DECISION TURNED DOWN.

Judge Cox Says Five Years Abroad Does Not Forfeit Citizenship.

New York, March 14.—Judge Cox of the United States circuit court has handed down a decision overruling one given by the secretary of the treasury, relative to the number of years an American citizen can remain abroad without forfeiting his citizenship.

The plaintiffs in the case sued to recover duties paid on several paintings by a Philadelphia artist living at Paris, France. The consul general in Paris refused to clear the paintings as works of an American artist, pointing out that the secretary of the treasury had decided that after an American citizen had lived abroad for five years it could no longer be termed a temporary residence.

Judge Cox holds that the secretary of the treasury had no authority to make such an arbitrary ruling and had decided in favor of the importers.

Charged With Murder.

Ardmore, I. T., March 14.—United States deputy marshals, who have been diligently working on the Graves murder case, have arrested John Love, colored, in the vicinity of Homer on a charge of murdering Alfred Graves, formerly a mail carrier between Berlin and Elk, who was recently found in a ravine with his throat cut from ear to ear. Love is in jail here.

Wolsley Going to South Africa.

London, March 14.—Field Marshal Lord Wolsley will start for Cape Town at once. Although officials deny the trip is anything but a private visit, gossip connects it with the military situation. It is pointed out that Wolsley's knowledge of South Africa, gained as a fighter and administrator, might be highly useful to Kitchener.

Judges of the Cook county bench of which the deceased was once a member, attended in a body. All courts adjourned. Many flags were at half mast throughout the city. Rev. TRIAL OF PATRICK.

Charles Adams Testifies in Behalf of the Accused Man.

New York, March 14.—Charles A. Adams, a lawyer of this city, was called as a witness in the trial in which Albert T. Patrick is accused of the murder of Wm. M. Rice. He was questioned by F. D. Turner, of Chicago, one of the special counsel engaged for Patrick. Adams said Rice was engaged in business with his father, and he, the witness, and Rice, were on friendly terms for 20 years. He had conversation with Rice some time in 1900 in which Rice gave his views on cremation, and he wrote a letter to Patrick's counsel, at the close of prosecution's case telling of their conversation. He identified the letter he received from Rice on October 18, 1897, instructing him to prepare codicil altering will executed in 1896, but provisions of changes desired not told by witness.

Greenville, Tex., March 14.—During a shower of rain here Wednesday afternoon lightning struck the residence of R. C. ## FRANKLIN BROTHERS

BRYAN, TEXAS.

Have slaughtered and sold more cattle and hogs than all the other dealers here together.

## WHY?

Because their way of doing business is to do it by wholesale. TWO big markets—15 men employed all the while catering to the wants of fastidious trade educated to eat good meats and no other. We have the facilities and intend to keep the trade by always selling the best at the lowest prices it can be bought for. We buy Wool, Hides, Pelts at highest market price.

## Some People Think

Fancy prices make the things they eat better. This is a very erroneous and expensive notion. Fancy prices are often the result of high rents, clerk hire, etc. If your grocery bill is too large it will pay you to examine our stock of groceries and the low prices we make on them. They are fresh, pure and wholesome. They please our old customers and if you will let us send a trial order we will please you.
